Being Bully Free is on You and Me!

Book of Bullying Prevention Education Scripts

Volume 1

Being Bully Free is on You and Me!

This script explores the definition of bullying and the different forms of bullying behavior. It also discusses ways we can make the school or program safe for everyone.

You've Got a Friend in Me!

Everyone could use one good friend to make a positive difference in the fight against bullying behavior. Learn how friends can support one another to confront bullying.

Is it Conflict or Is it Bullying?

Sometimes, it's difficult to tell the difference between conflict and bullying. Although conflict and bullying may seem very similar, they are not the same. Learn how to tell the difference.

Practice Makes Perfect

Explore role-playing and how it helps you stand up for yourself when someone is using bullying behavior against you. Learn how role-playing can help you build confidence against bullying.

For He's a Jolly Good Hero

Things turn around for the positive when you feel safe and confront bullying behavior. Find out what happens when a friend takes courage and stands up to a student bullying others in class.

Thank you for purchasing a copy of my bullying prevention education puppet script book. Your support means the world to me and is crucial in spreading awareness and education on this important issue.

By choosing to invest in this resource, you are not only helping to equip yourself with valuable tools but also contributing to a larger movement towards creating a safer and more inclusive environment for everyone. Your commitment to bullying prevention is truly inspiring, and I am confident that together, we can make a significant difference.

Remember, Being Bully-Free is on You and Me! If you have any questions or feedback about the book, please do not hesitate to reach out at Puppets4Peace.org or scan the QR code below. I would love to hear from you and learn about how the scripts are being used in your classrooms, schools, or community programs.

Warm Regards,
Michelle Upshaw
